

RESIDENTIAL EXTENDED GLASS & SEAL WARRANTY

In consideration of additional premium paid, Madico, Inc. agrees to match the terms and conditions for the remainder of the currently existing manufacturer's glass warranty on the residential windows listed on this certificate only. This warranty is valid only to the purchaser listed on this certificate and is non-transferable. It is subject to all the limitations and exclusions as specified in SUNSCAPE SELECT Residential Warranty (V-0564-R01). The installation must be an approved product application completed by a dealer authorized by Madico in accordance with proper installation techniques.

In order to validate this warranty, Madico must be provided with:

- Copy of the consumer's existing glass manufacturer's warranty (must include effective date and length of warranty period).
• Completed copy of the standard SUNSCAPE SELECT Residential Warranty certificate for installed window film.

The cost of this optional warranty shall be \$.30 per square foot of installed film. Payment must be submitted with this form and must be made payable to Madico, Inc.

This form, when received with other required elements listed above will be validated and returned to the customer.

In the event a claim is necessary, inspection of affected units(s) must be completed by Madico or a representative assigned by Madico prior to replacement of the unit(s). Once inspection is completed, written approval will be given to have the affected unit(s) replaced at Madico's cost (not to exceed \$500 per unit).
